A few safety tip ...

Come to Pattaya for the beaches and food and culture right? Admit it, you come for the girls! It's OK, many other men have too, the girl's are one of Pattaya's key attractions.

Tourist are guaranteed a great stay in Pattaya. With its wonderful nightlife and laid-back atmosphere, it's hard not to enjoy yourself in Pattaya.

A few safety tips to bear in mind when visiting Pattaya:

1. Do not to travel alone in secluded areas, from 1am onwards.
2. between Soi 7 and 11, exercise caution, as muggings are common along this stretch.
3. The pier from Walking Street and the beach are known not to be particularly safe areas after dark.
4. Ladyboys are infamous in every major Thai city for robbing farangs.
5. Watch what you drink ... some male tourists have woken up in the morning with a sore head from being drugged and found their wallet and belongings have gone.
6. No matter how tough you may be, do not fight.
7. Always take a girl from a bar, rather than a freelancer off the street.
8. Traffic can be quite hazardous if you don't keep your wits about you. Even on Walking Street. 2nd Road and Soi Diana are particularly busy.
9. Do NOT go to a gem shop -- very old scam.
10. Do NOT buy drugs. One joint of marijuana can result in a six-year prison sentence -- and getting out of jail is a very old scam too!
